

NEWS OF INDIANA and MICHIGAN

STREET WILL NOT BE IMPROVED THIS YEAR

Head of Construction Company and Elkhart Board of Works Blames Railway Company.

ELKHART, Ind., Oct. 12.—That E. Jackson st. will not be paved this year was practically determined by the board of works and Manager G. C. Berkey of the Northern Construction Co., contractors, at a meeting of the board Tuesday. This had long seemed a foregone conclusion.

However, Mr. Berkey was asked, and agreed to keep his construction gang at work on the street until it is placed in as good condition as is possible for traffic this winter. To do this the south side of the street will be excavated and leveled.

Mr. Berkey represented to the board that from present indications it will be impossible to complete the work this fall because of delays occasioned by the failure of the Valley line railway company to re-construct its tracks so that the concrete work can be done.

He stated that he had been informed by the president of the railway company, H. E. Buckner, that it would be several weeks before the rail braces and the rails for the turn-outs could be procured.

The information brought forth caused comments from Mayor Smith and members of the board, who thought all these supplies should have been ordered long ago, and have been on hand.

A photograph of the old Elkhart Silver Cornet band taken in 1870, is on exhibition in the north window of the White Swan restaurant, 109 S. Main st. The photograph was loaned to Ward Dunbar by Alvin Foster, one of the three surviving members of the organization which was composed of Gene Foster, Michael Truby, Jacob Miah, George Keely, George Seals, Dan Gore, Louis Delo, Samuel Davis, Philip Chrisman, Alvin Foster and C. G. Conn, who was the leader.

Seventy-five Elkhart policy holders in the Mutual Benefit Life Insurance Co. of New Jersey will indulge in a snoker at Meisner's, 402 S. Main st., at 8 o'clock Wednesday night. J. R. King, the state agent, will deliver an address, and the guests will be given an opportunity to make impromptu remarks. Ray M. Hendershott is the local agent.

The damage suit of Samuel E. Ousterhout against Howard Dwight, in which it is charged that Ousterhout was arrested though never prosecuted for failure to return a housekey, and thereby was injured in reputation, is being tried before a jury in the superior court. J. S. Dodge represents the plaintiff and W. B. Hille the defendant.

The case was tried in the superior court last spring, at which time the jury returned a verdict for the plaintiff but did not fix any amount of damages. The result was therefore declared a mistrial.

In collecting mail from the box at Main and Marion st. Tuesday morning George Rowe was mystified to find a derby hat. It proved to be the property of a well known Elkhart young man who said that he and a friend were "fooling" Monday night when his friend shoved the lid into the box for a joke.

FARMER IS INJURED

Gets Caught Between Traction Engine and Water Tank and is Crushed.

GOSHEN, Ind., Oct. 12.—Perry Chiddister, 63 years old, was perhaps fatally injured when he was crushed between a heavy traction engine and a water tank wagon when he was attempting to couple the latter to the engine Monday evening at the William Neff farm, one mile north of Goshen. His chest was crushed in and eight or 10 ribs were broken when he was caught between the two heavy machines.

Chiddister was taken to the home of W. H. Clery nearby, and Dr. G. W. Kerby was summoned. He became unconscious immediately after the accident, and remained so all day. This afternoon but little hope was held out for his recovery.

Chiddister, who resides with his daughter, Mrs. Green, of Emerson st., had been helping to fill a site on the Neff farm. When the wagon was coupled on about dusk Monday evening Chiddister was about to couple the water tank to the engine in preparation to their departure. He raised the tongue of the vehicle and the engine backed up his machine. Chiddister failed to get out of the way, and was caught between the engine and tank wagon.

WILL SERVE LIFE TERM

Parole Violator is Returned to Marquette Prison for Crime.

LANSING, Mich., Oct. 12.—August Wolf, convicted in Mason county a few days ago on a charge of attempted criminal assault, will not be sentenced for that offense, but will be returned to Marquette prison on a warrant issued by Gov. Ferris as a parole violator and will be compelled to serve out the remainder of his life sentence.

Wolf was sentenced originally from Ontonagon county July 9, 1891, for murder, by Judge Stone, now a member of the supreme court, Oct. 7, 1911, ex-Gov. Osborne issued Wolf a parole and he has been free until a few weeks ago, when he was arrested in Mason county and found guilty of the charge against him.

WRONG MAN RELEASED

Deputy Acts Upon Word of Amateur Sleuth and Man Gets Away.

ROCHESTER, Mich., Oct. 12.—"That ain't the guy," an amateur sleuth from Mt. Clemens told Deputy Sheriff Stone when the deputy caught a youth descending from the transom of the jail here where he and his "pal" were being held on suspicion of beating and robbing Harp Foreman Mead of the Detroit United railway, at Mt. Clemens late Sunday night.

Acting on the word of the sleuth the deputy released the "jail bird," who promptly took a car for Flint. When the Mt. Clemens officers arrived with Mead, Stone discovered that he had released the wrong man and the officers returned to Mt. Clemens empty-handed.

BAPTISTS OF STATE MEET IN TWO CITIES

Eighty-third Annual State Convention is Opened—Pastors Hold a Conference.

HAMMOND, Ind., Oct. 12.—The 83rd annual convention of the Baptist church of Indiana began here yesterday, with about 500 delegates in attendance. The program included the ministers' conference and the annual meeting of the Woman's auxiliary.

The convention will last through Oct. 15, and all sessions will be held here, except on Oct. 14, when the delegates will go to Gary for a meeting. The list of speakers includes the Rev. Shailer Matthews, Chicago, president of the Northern Baptist convention; the Rev. I. C. Barnes, New York city, Home Mission society; the Rev. Thomas Moody, Africa; the Rev. E. W. Paleford, Boston, secretary educational board; the Rev. D. D. Proper, Omaha, Neb.; the Rev. William Felter, Russia; the Rev. C. D. Gray, Chicago, editor Baptist Standard; the Rev. F. L. Anderson, Chicago, president B. Y. P. U. A. Mrs. Andrew McLesch of the Woman's Foreign society; the Rev. C. E. Stanton, Danville, O., and T. H. Osborne, Cincinnati, O.

The first general assembly was held last night with the Rev. F. E. Taylor, pastor of the First Baptist church of Indianapolis, as the principal speaker and the Rev. C. M. Dinsmore of Evansville, president of the convention, presiding.

The convention is considering a system that proposes a single collection of all money for special purposes. At present there are four national societies of the Baptist church, each with a representative in every state or district, who maintains an office and has traveling expenses to visit the various churches. The new idea is to make one man do the work of four, collecting for home and foreign missions, education and publications at one and the same time.

Another important matter will be the election of a superintendent of missions of the state. It being anticipated that the Rev. W. D. Pope, the present superintendent, who has been ill for a year and a half, will not be able to continue the work.

WOMAN SEEKS HUSBAND

Thinks Man Might Have Become Deceased—Was in Ill Health.

PONTIAC, Mich., Oct. 12.—Mrs. Emily Dunn is seeking her husband, John Dunn, who disappeared from his home at 729 Lake st., in this city, Sept. 9, since which time nothing has been heard of him. She spent Monday looking for him in the factories of Detroit, but without result, and thinks he may be working on a farm somewhere in this section of the state. He has been in poor health for a long time, and she believes his mind may be deranged.

BARAGA MEN BALK OPTION

Project to Place "Dry" Measure on Ballot is Voted Down.

HOUGHTON, Mich., Oct. 12.—At the annual meeting of the Baraga county board of supervisors at L'Anse a petition backed by the Michigan Anti-Saloon league, asking the board to place local option on the county ballot next spring, was voted down 3 to 2.

The liquor interests, represented by Atty. W. J. Galbraith of Calumet, contended that the petition was defective. The Anti-Saloon league now threatens mandamus proceedings.

CHAUFFEUR INJURES GIRLS

One Suffers Fractured Skull and Other Receives Internal Injuries.

HAMMOND, Ind., Oct. 12.—Walter Robert of East Chicago, a chauffeur, ran an auto over two girls last night. Mary Krishnak, eight years old, suffered a fractured skull; Hedwige Shrieback, nine years old, suffered cut on the head and internal injuries. The girls were hand-in-hand, pulling each other to get out of the way of Robert, when the auto struck them.

THREE DIE WHEN AUTO IS STRUCK BY TRAIN

Aged Woman's First Ride in Automobile is Fatal to Friends in Car.

LOWELL, Mich., Oct. 12.—An automobile containing four people was struck by passenger train 23 on the Pere Marquette railway at Mosley, and Mrs. E. L. Gould, 60 years old, her daughter, who was driving the machine, Mrs. Robert E. Johnson, 27 years old, and the latter's son, Robert Gould Johnson, three years old, were instantly killed, while the fourth occupant of the machine, Mrs. M. E. Somers, 77 years old, had both feet so badly crushed that it was necessary to amputate her left foot.

The four lived about three and one-half miles northeast of Mosley. Mrs. Johnson had recently purchased the automobile with the insurance money which she received at the death of her husband a short time ago, and the four went to Mosley on a trading trip. It was Mrs. Somers' first ride in an automobile.

As the party neared the Pere Marquette tracks just inside the village, the crossing operator came out to flag them. The party did not notice him, however, and Mrs. Johnson being slightly deaf, did not hear the approaching train.

The machine was struck squarely by the train, which was going about 40 miles an hour. The body of Robert Johnson was picked up more than 100 feet from the scene of the accident. His neck was broken. In the boy's hand was still clasped a bag of candy which his mother had purchased for him at Mosley. The bodies of Mrs. Gould and Mrs. Johnson were picked up about 50 feet from the crossing.

HOLDUP MAN IDENTIFIED

Henry Davey of Terre Haute Implicated in Deal.

TERRE HAUTE, Ind., Oct. 12.—Earl Smith of Jasperville, paymaster of the Vandallia Coal Co., who was robbed last Saturday morning at Latta, has positively identified Henry Davey as the taller of the two men who held him up. He said Davey held a shotgun at his head, while the money, nearly \$9,000, was being removed from the tray where he had placed it, preparatory to beginning payment of the miners, but he was unable to say which of the two men seized the money.

Davey was arrested here last night at the home of Webb Miller, his brother-in-law, at 1161 S. Third st. He attempted to escape when the police entered the house, but was tripped on the doorstep and seized. The revolver dropped from his hand as he fell. When his clothes were searched, \$210 was found. Davey's sister, a Mrs. Brodie of Shelburn, who was in the Miller home, was detained by the police. The accused man denied he took part in the robbery. He declined to answer any questions or give any explanation of his whereabouts for the last three days when confronted by the paymaster. He also refused to have his photograph taken for the Bertillon records of the police department.

CORUNNA FAIR POSTPONED

Diphtheria Epidemic Causes Closing of Schools and Churches.

CORUNNA, Mich., Oct. 12.—Corunna citizens are complaining because Owosso newspapers published reports of the outbreak of diphtheria in Corunna last week. The Corunna citizens declare it was an attack on the city, to keep farmers away and bring them to Owosso.

The slight epidemic which caused the closing of schools and other public buildings, including the churches, is under control. There are less than 10 cases, confined to five families.

The home coming which was planned for this week has been postponed, probably for one week. The schools will reopen the last of the week.

FIRE MARSHAL RESIGNS

David B. Walker Had Held Office in Grand Rapids 35 Years.

GRAND RAPIDS, Mich., Oct. 12.—David B. Walker, fire marshal, announced today that he retires from active service as head of the fire department Dec. 31, the 35th anniversary of his connection with the department. Failing health is the reason, Mr. Walker will be pensioned. Henry Lemern, former chief, resigned two months ago.

Battalion Chief Boughner succeeds Walker and Capt. Fred Higgins will step into Boughner's place. Should the proposed new charter carry, an assistant fire marshal will be created and Higgins is slated for that appointment.

VERDICT NOT APPROVED

Gov. Ralston Has Not Passed on Decision in Bell Case.

INDIANAPOLIS, Oct. 12.—Gov. Ralston has not yet approved the verdict of the court martial which acquitted Sergt. Edwin C. Ball of company H, Second regiment, Indiana National Guard, who shot and killed Private Walter Dowell of Madison in this city in 1913, and some time probably will elapse before he takes any action.

The constitution of the United States acts of congress and of the Indiana National Guard for the ruling of the state militia and numerous opinions were cited to Gov. Ralston by Former Atty. Gen. W. O. Ketcham, as upholding the verdict of the court martial which acquitted Ball.

Mr. Ketcham did not make an oral presentation of his contention, but filed a voluminous brief. The governor has the power to set aside the verdict and order a new court martial trial of Ball, as he is commander-in-chief of the guard.

Ball shot and killed Dowell as the latter fled from the provost guard after having been taken into custody on a charge of attempting to smuggle whisky into the state camp. Ball contended the killing was purely accidental and that he was firing into the air, repeatedly ordering Dowell to halt. Dowell died at St. Vincent's hospital, and it was stated at the court martial that he exonerated Ball in a dying statement.

It is the first case of its kind on record in Indiana.

BOY IS SHOT BY AUNT

Weapon Picks Up Revolver in Earn. Weapon Accidentally Explodes.

GRAND RAPIDS, Mich., Oct. 12.—Kenneth Sefton, 14 years old, was critically wounded by his aunt, Mrs. Blaine Sefton at Sturgis, when a revolver accidentally exploded. The boy, it is said, may die.

The lad, after playing in the barn with a revolver, left it lying on the floor when he started to climb into the hay mow. The aunt picked up the revolver to carry into the house and it was discharged. The boy is now at the Fort Wayne hospital.

SALOONS ARE CLOSED

Terre Haute Keepers Obey Injunction of Safety Board on Holiday.

TERRE HAUTE, Ind., Oct. 12.—The saloon keepers of Terre Haute remained closed yesterday, the result of orders from the board of safety to close their saloons on Discovery day. It is the first time since the holiday was created by legislative act in 1911 that any attempt was made to observe it as a legal holiday in the sense of ordering the saloons closed.

OWOSSO, Mich.—Almon L. Chase of city, is being sued by Frances Bluen, a Saginaw girl, who asks \$5,000 from Chase because he ran her down in his automobile. The night before the suit was to come to trial, Chase was himself run down by an auto and seriously injured.

WOMAN SEES HUSBAND

Thinks Man Might Have Become Deceased—Was in Ill Health.

PONTIAC, Mich., Oct. 12.—Mrs. Emily Dunn is seeking her husband, John Dunn, who disappeared from his home at 729 Lake st., in this city, Sept. 9, since which time nothing has been heard of him. She spent Monday looking for him in the factories of Detroit, but without result, and thinks he may be working on a farm somewhere in this section of the state. He has been in poor health for a long time, and she believes his mind may be deranged.

CATARRH GERMS KILLED!

Only Way to End Catarrh. Wonderful Relief Comes From Breathing the Pure Healing Air of Hyomei Through This New Pocket Inhaling Device.

If you have catarrh and want to get rid of it you must kill the germs which cause catarrh and which are now living, breeding, thriving and multiplying by the millions far up in the recesses of your nose and throat.

The temporary relief you have been finding in sprays, douches, creams, ointments, lotions, etc., which for a while open your clogged nostrils and let you breathe easier, fail to cure catarrh to stay cured because they do not and cannot kill the catarrh germs which cause it.

There is just one way to really reach and destroy the catarrh germ life in your system and thus end catarrh forever, and that is by breathing through the little inhaling device shown in this illustration, a powerful but pleasant and healing germicidal air called Hyomei. Hyomei is a germ killing liquid but you do not swallow it. Simply pour a few drops of Hyomei into this inhaler, and then put the inhaler in your mouth and breathe its healing, germ destroying air—breathe deeply. That's all you have to do. Every time you inhale a breath of Hyomei through this little inhaling device you are drawing into your raw, swollen, inflamed and germ laden membranes an agreeable medicated air which will not only absolutely and positively destroy every trace of Catarrh germ life it reaches, but will stop the discharge and heal and reduce all the inflammation and swelling and open up your clogged nose and stopped up air passages. It gives wonderful relief in just two or three minutes while if you use it two or three times a day for a few weeks it will completely banish Catarrh and every symptom of catarrh.

Druggists everywhere are so sure of the blessed, lasting relief that Hyomei brings to Catarrh sufferers that they furnish a full bottle of it, together with this Pocket Inhaler in a package called the Complete Hyomei Treatment, on an absolute guarantee to refund the full purchase price if you are not satisfied after 30 days full use. The Hyomei liquid is also sold in separate bottles without the inhaler and without this guarantee, so people using it for the first time should be certain to insist on the complete package containing the inhaler and the guarantee that protects them against all loss. Sold here in South Bend and vicinity by all the best drug stores, including
